The Spring Work Party is a great opportunity for all club members to gather and help prepare the club for the sailing season. Projects will vary from dock repairs, and getting boats out of storage to gardening, and clubhouse maintenance. The day will be divided into a morning and afternoon session with a lunch in between. Our club thrives with the volunteer spirit of it's members. You don't want to miss this work party! Please sign up for the morning or afternoon session or both.

The Fall Work Party is a great opportunity for all club members to gather and help prepare the club for winter. Projects will vary from dock repairs, and boat storage to gardening, and clubhouse maintenance. The day will be divided into a morning and afternoon session with a chili cook-off during lunch. Our club thrives with the volunteer spirit of it's members. You don't want to miss this work party!
Please sign up for the morning or afternoon session or both.
