Long Range Planning Committee is tasked with developing and managing a strategic plan for the continuing development of the Club. The plan looks outward 5 to 10 years and in accordance with our mission: "to promote the sport of small boat sailing and sailboat racing." This plan includes all aspects of Club life - from infrastructure and member services to promoting sailing in Central Indiana. The Committee considers many factors, including issues facing the sport of sailing within our community and beyond. The Committee advises the Board of Directors with respect to the priorities of short term projects under consideration that require capital investment. The committee meetings are open to ALL Club members: meeting dates are posted on the ISC webpage calendar and are held in either, the Clubhouse or Annex.

The Spring Work Party is a great opportunity for all club members to gather and help prepare the club for the sailing season. Projects will vary from dock repairs, and getting boats out of storage to gardening, and clubhouse maintenance. The day will be divided into a morning and afternoon session with a lunch in between. Our club thrives with the volunteer spirit of it's members. You don't want to miss this work party!
